

Pantel Technologies has introduced the WS802C-2G Penta T-Pad tablet PC.

The tablet has an 8 inch screen and is powered by a 1.2 GHz processor. It offers 8 GB of internal memory which is expandable up to 32 GB with a microSD card. The device supports 3G and 4G and is priced at Rs 8,299.

As part of a consumer promotion campaign, consumers purchasing the tablet can avail of 4 GB of free data usage, valid for two months.

Commenting on the launch, Vijender Singh, managing director, Pantel Technologies, says, "This latest product, introduced in India for the first time, the Penta T-Pad WS802C Voice calling tablet PC, with a unique accessory and multiple connectivity options at an affordable price of Rs 8,299, is an initiative to bring more excitement and enhanced capability for our customers in this ever evolving market-place."
