

The tablet PC functions on the Android-based 4.1.1 Jelly Bean operating system and is powered by a Cortex A9 1.0 GHz processor. The Penta T-Pad WS707C has a 7 inch screen and 8 GB of internal memory. It supports dual cameras (a 0.3 megapixel front facing camera and a 2 megapixel rear camera).

The device is priced at Rs 7,999.

Commenting on the launch, Vijender Singh, managing director, Pantel Technologies, says, “Endowed with superior specifications, the Penta T-Pad WS707C is an edge enabled device which personifies performance with superior connectivity at an affordable price.”
