

Aircel reportedly plans to renew its \$100-million outsourcing contract with Nokia Siemens Networks (NSN), say news reports. {K2Splitter} Aircel reportedly plans to renew its \$100-million outsourcing contract with Nokia Siemens Networks (NSN), say news reports.

As per the contract, the vendor manages Aircel's mobile networks in seven circles, including its 3G services in three of these regions.

Aircel's operations in the remaining circles are managed by other vendors, including Ericsson and ZTE.
